source: Drewry Quarterly, March 2007

Technical Presentations

- Global warming and changing weather patterns – should Cargo Underwriters be worried?
- Cargo Accumulation – managing the exposure
- China – market dynamics
- **Misappropriation of cargo**

The background features a teal-to-white gradient. At the top, the letters 'UUM' are visible in a large, white, sans-serif font. Below this, the word 'Copenhagen' is written in a smaller, white, sans-serif font. A white crosshair, consisting of a vertical and a horizontal line, is positioned in the center of the slide, intersecting the text.

Thank-You

Mike Davies, Chairman
Cargo Committee
